

1. Yemen – Previous Recommendations

- 1. General respect for human rights obligations*
- 2. Journalists/HRD/civil society protection*
- 3. Arbitrary detention and ill treatment*
- 4. Death penalty*
- 5. Enforced Disappearances*
- 6. Creation of a National Human Rights Institution (NHRI) based on the Paris Principles*

2. Recommendations - Journalists

- 1. Stop the use of violence against journalists and representatives of the media, and ensure perpetrators are brought to justice.*
- 2. Ensure the freedom of expression and media freedom by ending all legal restrictions on media organizations and journalists.*

3. Recommendations HRDs - Civil Society

- 1. Release all HRDs and representatives of civil society who are currently detained, and stop the practice of abducting and detaining them in undisclosed locations without access to their families and or lawyers.*
- 2. End the legal harassment and intimidation of HRDs and civil society activists.*

4. Freedom of Association/Assembly

- 1. Adopt best practices on the freedom of peaceful assembly, as put forward by the UN Special Rapporteur on the rights to freedom of peaceful assembly and of association in 2012, which calls for procedures in which there is simple notification of assemblies being held, rather than explicit permission being needed to assemble.*
- 2. Allow peaceful assemblies by members of civil society.*
