

## **ADVANCE QUESTIONS TO THE MONACO – ADD.1**

### **UNITED KINGDOM**

- Could you tell us what progress Monaco has made in giving people with disabilities access to public and private buildings, services and amenities?
- Have you made progress in establishing an ombudsman to monitor human rights in the Principality?
- In 2008 violence against women was not specified as a crime in domestic law. What measures have the Monegasque Government taken to protect women from domestic abuse and provide support to victims?
- Does Monaco plan to establish an institution to monitor gender equality?
