

ADVANCE QUESTIONS TO DOMINICA (THIRD BATCH)

SPAIN

- Recognizing the important efforts that have been adopted by the government in recent years to address the situation of child abuse, when does the Government consider prohibiting the corporal punishment of minors, both at home and at school?
- Dominica has ratified the Convention on the Rights of Persons with Disabilities. However, we would like to know if the Government has adopted or plans to adopt domestic legislative measures to enforce the implementation of the Convention in its territory?
