Recomendations: ENVIRONMENT

- **Implementing** the **Escazú** agreement.
- **Derogation** of Law No. 535 and Supreme Decrees No. 2366 and No. 2992, as they are contrary to the exercise of **the right to a healthy environment.**
- **Promote** studies that determine **the effect of mining pollution.**

Recomendations:

Prior consultation Indigenous People

- **Adjust** the mining and hydrocarbon sector legal framework according to **ILO Convention 169**.
- **Abrogate** Law 979 that allows the construction of a road through the Indigenous Territory and Isiboro Secure National Park - **TIPNIS**.

Recomendatios:

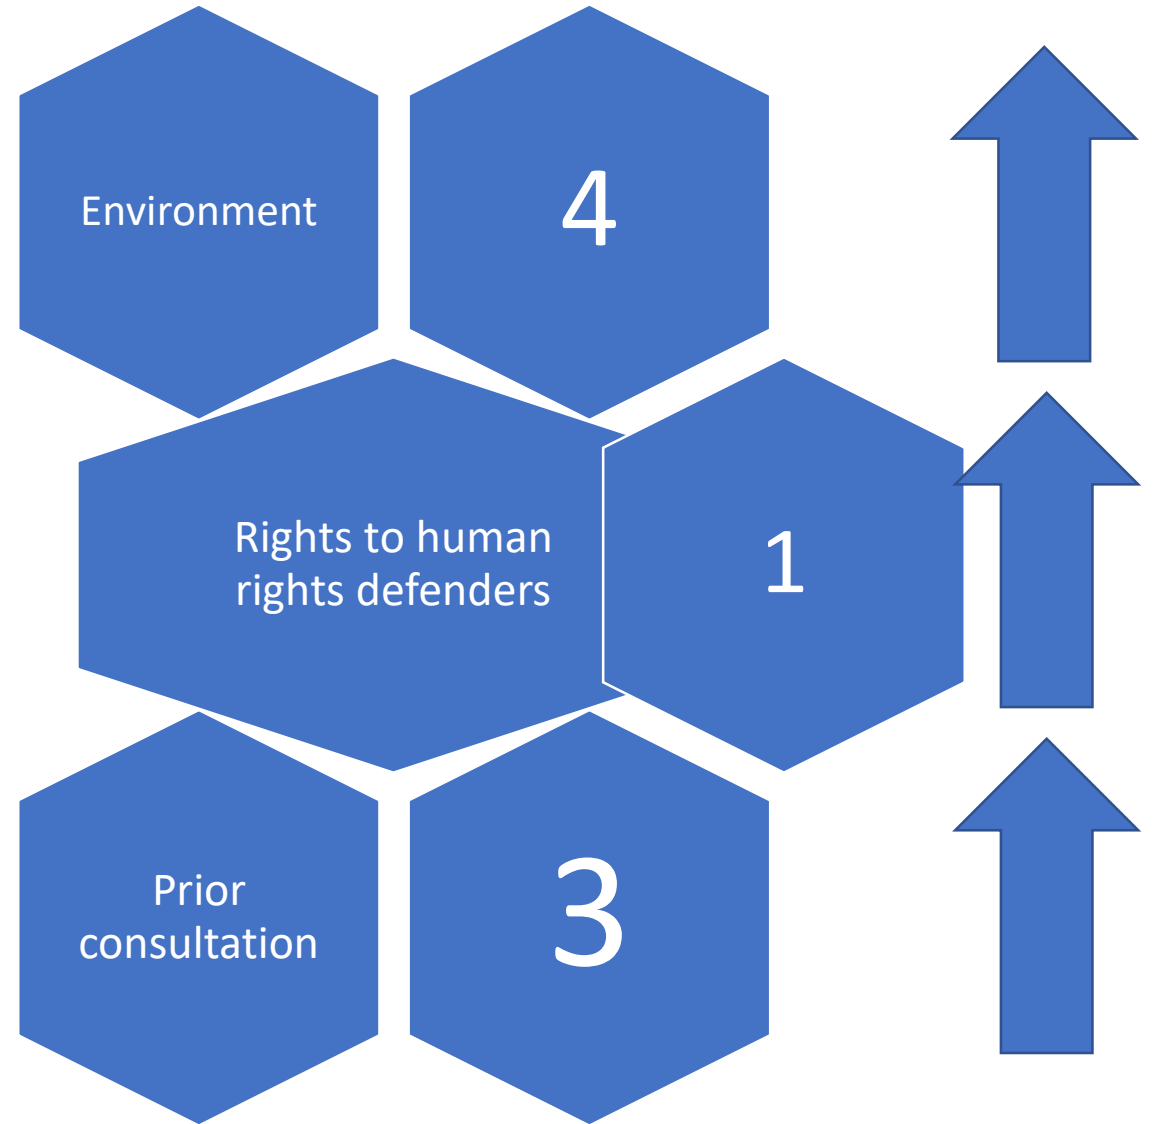

Right to life of indigenous peoples in voluntary isolation

- **Adapt** Law 450, implementing the intangibility of territories and the prohibition of extractive activities due to the **high risk of ethnocide**.
- Establish **urgent protocols** in case of accidental sightings or contacts, agreed with the communities.

Recomendations: Right to human rights defender

- **Abrogation** of Law 351 and its Regulatory Decrees as well as all the norms that violate the rights of human rights defenders, especially their right to free association.
- **Take additional measures** in order to **protect human rights defenders**, with a gender perspective.

Recognize the importance of protecting human rights from the effects generated by natural resource exploitation activities

¡Muchas gracias!
