

ADVANCE QUESTIONS TO HUNGARY (FOURTH BATCH)

ANGOLA

- Depuis le dernier EPU, quelles sont les mesures mises en œuvre par le gouvernement hongrois pour assurer une meilleure insertion des femmes dans la vie politique et professionnelle du pays ?

GERMANY

- Germany would like to inquire what measures have been taken since the last UPR to improve the integration of the Roma population.
- With regard to recent changes in the Hungarian Constitution that define the mother as female and the father as male, changes in the law on adoption that allow only married couples to adopt children, and changes in the law against child sex abuse which includes restrictions on portrayals of homosexuality and transgender people: How can these laws be brought in accordance with Article XV (2) of the Hungarian Constitution, which grants equal rights to every person without discrimination?
